Agreement on the Use of Kumamoto City Tablet Device for Learning

1 Usage of the tablet device

- (1) Basic usage of the tablet device for learning
 - To make it usable at school every day , I charge it at home and bring it with me.
 - I will immediately report any malfunction or damage to parents or teachers.
- (2) Protection of personal information
 - When I take a picture or record sound or video, I will obtain the permission (portrait right, etc.) of the other party.
 - I will not disclose personal information of myself or others on the Internet.
- (3) Human rights
 - I will be considerate of the other people and do not hurt or cause discomfort.
- (4) Copyright
 - I will respect the copyrighted works (text, music, pictures, images, etc.) of others and use them only with their permission.
- (5) Network rules, etiquette, and safety (security)
 - I do not browse or post on inappropriate sites.
 - I will keep my ID and password to myself and will never share them with others.
- (6) Health
 - I do not use the device in a manner that is detrimental to our health (e.g., for long periods of time or before going to bed).
- (7) Others
 - If inappropriate use is suspected, the school or school board may check the usage history or other information.
 - I will reimburse the school or administrator for any malfunction, intentional damage, or loss of equipment due to improper use.

2 Learning System Accounts

- The account (ID and password for logging in) will be created on a cloud service on the Internet using the names, etc. of the students to use the educational materials and applications required for their learning activities. In addition, a part of the learning outcomes of students will be stored on the cloud service.

※Kumamoto City plans to use the following cloud services (they will not be used for any purpose other than educational purposes). In addition to these services, some other services will be introduced by schools on their own.

- Google Workspace for Education
- MetaMoJi ClassRoom
- LoiLo-note School
- Drill Park (Miraishid)

I agree to the above and will use the tablet device until graduation. In addition, upon moving out of the city or upon graduation, I will return the tablet device, including all accessories, in a condition that the next user can use it comfortably.
